Commission I Offers 'Laserium,' Fund-Raising Projects

Under Commissioner General Dan Hasegawa, Fall Commission tried to achieve a more efficiently operated organization which would work towards the students' advantage. Although hindered by the double session schedule, Commission attempted to balance the budget and revise the school's constitution. Their fund-raising projects included the selling of pennants and a magazine subscription drive. They also organized Freshman Orientation, Dads' Night, activities during Homecoming Week, the selection of Christmas Committee and Spring Elections. Closing out their semester's activities, the Fall Commission sponsored "Laserium," a light show which engulfed audiences at the Griffith Park Observatory, and held captive an audience at the AHS auditorium in January.

1) Commissioner General Dan Hasegawa takes charge of games at this year's Homecoming Renaissance Faire. 2) Commission members organize a spaghetti dinner for the Alhambra and Mark Keppel varsity football teams on the eve of the annual rivalry game. 3) Soft drinks and balloons are sold by Commission as fund-raising at the Homecoming Faire.

Commission II Plans Budget, Seats Underclass Reps

As is the inherited trait of every past AHS Commission, the 1974-75 Spring Commission attempted to balance the budget. Under the leadership of Commissioner General David Olson, Commission tried to achieve this goal by cutting down on student expenses. Commission's other goals were to stress student awareness of high school government and the need for more involvement by the student body. A major change by Commission was the representation of four non-voting members who were picked from each class council to better represent the student body. If the experiment was successful, a proposal to permanently seat these representatives as full voting members would be put to the students once again. Sandi Yee, Chris Evans, Kevin Hansen, and Chuck Gonzalez represented the 9th thru 12th grades.

1) The flag-raising ceremony is carried out by Commission members. 2) Commission advisor, Mr. Kenneth Key, listens in on a discussion. 3) Commissioner General David Olson takes charge of the executive board's daily meetings.

Legislature Establishes Treasury, Committees

Semester I Student Legislature emphasized the use of standing committees as a means of achieving organization and effectiveness in planning activities and solving problems. These committees included Student Curriculum, Red Cross Council, and the Student Liaison to the Board of Education. One of the Legislature's main efforts this semester was sponsoring a representative to the YMCA Youth in Government Model Legislature in Sacramento. Legislature member Alex Miyadi was chosen to represent AHS at the statewide event. Money to send Alex was raised through a car wash. Because of this fund-raising, the Legislature established their own banking account and treasury to serve their money needs. The Legislature was also busy in working with Commission in many student body functions, one of which was an attempt to compose amendments to the constitution in regard to student government reorganization. Also stressed by members of the Legislature was the need for increased feedback from students through their representatives, and improved attendance at the meetings.

1) Student legislators voice opinions at bi-weekly meetings. 2) Semester I officers are Speaker Kathy Harvill, Vice-Speaker Mark Katzmann, Secretary Tunde Garai, and Sergeant-at-Arms Steve Kress. 3) Semester II officers are Speaker Mark Katzmann, Vice-Speaker Steve Kress, Secretary Audrey Heffel, and Sergeant-at-Arms Mike Rogers.

Boys' Fed Sponsors K-FED

Boys' Federation, an on-campus organization to which every boy attending AHS belongs, greatly increased its productivity and involvement in student life this year. For the first time, the board operated a radio station, K-FED, which played music for the students' enjoyment before school and during lunches. Also, Boys' Federation officers planned a snow trip to the local mountains for interested members of the entire student body. In addition to these new activities, Boys' Federation carried on its traditional selection of "Boy of the Month," an honor given to senior boys who show outstanding leadership and achievement.

1) Semester I board officers are President Guy Maisnik, Vice President Greg Gettinger, Secretary William Berger, Treasurer Steve Rosen, Senior Representatives Gordon Kato, Lon Nagato, Junior Representatives Dan Trapp, Eric Wong, Sophomore Representative Kevin Hansen, and Frosh Representative Steve Kaplan. (2) Semester I President Guy Maisnik discusses plans at a board meeting. 3) Semester II President Gordon Kato listens to the suggestions made by the board. 4) Board members include Greg Gettinger and Kevin Hansen, Junior Representatives Steve Rosen, Dan Trapp, Sophomore Representatives William Berger, Eric Lew, and Frosh Representative Steve Kaplan.

Girls' League I Follows Traditions of Success

Girls' League I started off another successful year under the leadership of President Janice Yasuda. The Girls' League Board worked hard to keep the traditional activities interesting and exciting. Among these activities are: Freshman Orientation, Freshman Tea, the first semester Backwards Dance, and the Christmas Dance. Besides these activities, the Board chose the first five Girls of the Month and the first semester Girls' League Creed Award winner. The advisor of the Girls' League Board for the past three years has been Ms. Carden, who was recently selected as one of the Outstanding Teachers of America.

1) Girls' League Officers are: Vice-President Sandi Yee, Secretary Shirley Chan, President Janice Yasuda, Treasurer Corinne Leung. 2) Members engage in a typical Wednesday afternoon meeting with the Board: Carol Bean, Kim Carpenter, Meiling Fang, Jackie Giorlando, Lisa Gutierrez, Lisa Kay, Stephanie Kolm, Margaret Mar, Gerine Ongkeko, Lynette Shishido, Susan Takei, Cyndi Whitaker. 3) Girls' League actresses balk as they watch Moor-o-chio's nose grow longer. 4) Girls' League Advisor Ms. Charlotte Carden. 5) The Board performs at the Freshman Tea. 6) The welcome orientation offered entertainment for bewildered freshmen.

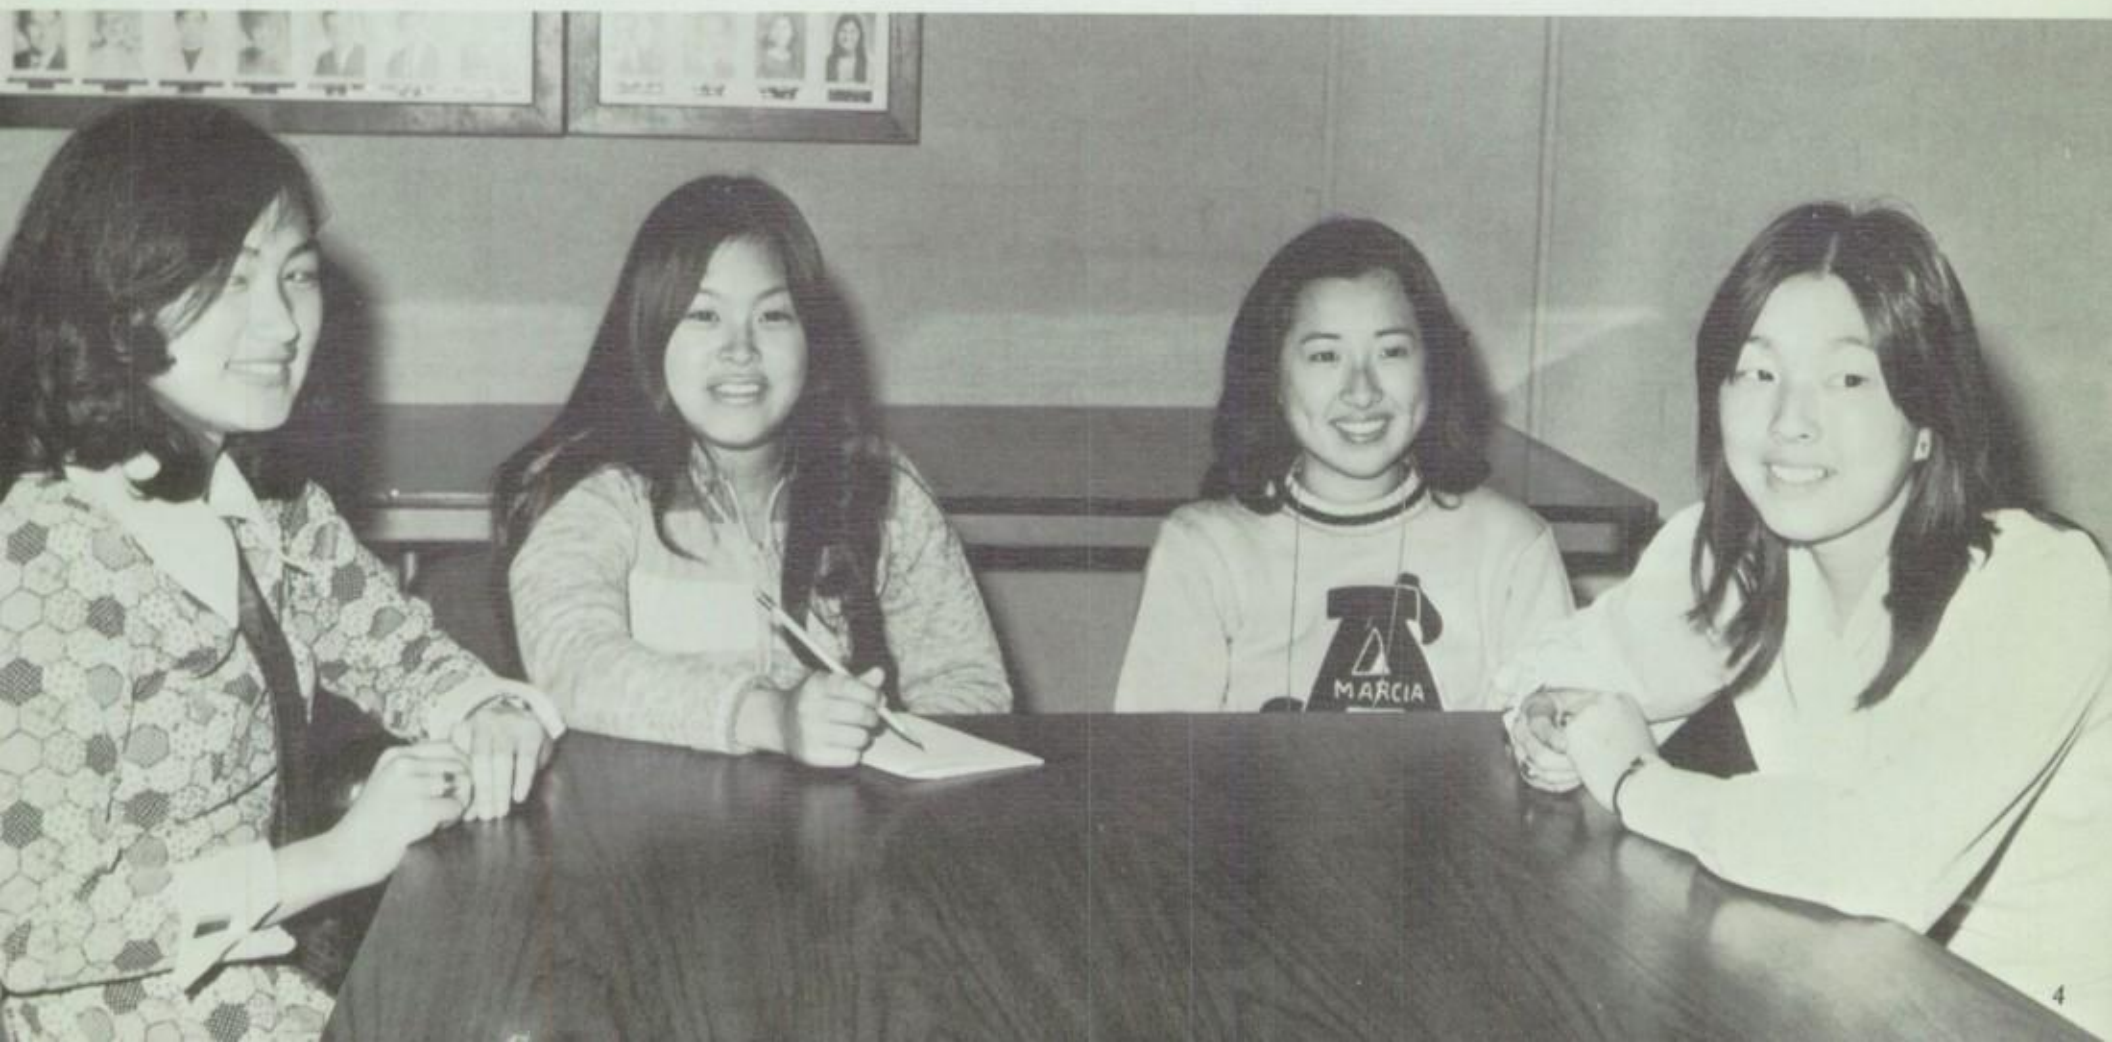

Enthusiasm, Involvement Highlight Girls' League II

Loreen Okayama, President of Semester II's Girls' League Board, felt that the enthusiasm of her board members was a great factor in promoting the involvement of more girls in the Girls' League activities. The activities put on by the Board for the second semester included: the annual Valentine Sales, the Backwards Week which preceded the Backwards Dance II, the Daddy Daughter Dinner, and the farewell to senior girls at the Senior Tea. Once again the Girls' League Board had a successful year.

1) Smiles help in bringing about Girls' League Board's enthusiasm. 2) Girls' League Board Semester II: Kim Carpenter, Elaine Fong, Lisa Gutierrez, Wendy Koike, Stephanie Kolm, Gabriela Marangone, Susan Mido, Frankie Mora, Barbara Nelson, Janet Porush, Janis Rightmer, and Lynnette Shishido. 3) Making decisions and a lot of planning go into each Girls' League activity. 4) Second semester Girls' League Officers: Treasurer Susan Takei, President Loreen Okayama, Vice-President Marcia Honda, and Secretary Lisa Ogawa.

AFS Offers Cultural Exchange

Coming from two different corners of the world, Monique Dubes and Yukiko Kozaki anxiously looked forward to their arrival at AHS. Monique, a graduate in France, found Alhambra High to be a modern school supplying the students with many extra-curricular activities such as Yacht Club, Las Moras, and French Club. Yukiko met many friendly people, and she was involved in activities such as Jr. Civitan and International Club. Monique stayed with Jackie Giorlando's family during her visit, and Yukiko lived with Joanne Walder's family while she attended AHS.

Camille Blancheri and Karen Kirby were two of Alhambra's Americans Abroad.

1) Monique Dubes of France and Yukiko Kozaki of Japan socialize with junior Matt Pebley at a favorite chatting spot on campus. 2) Monique performs a French "chanson" to a captivated audience at the Freshman Tea. 3) Monique and Yukiko converse with Mrs. Haynes, a member of the AFS Chapter, about upcoming activities. 4) Yukiko receives helpful advice from Mrs. Jelinek of the English Department. 5) Monique and Yukiko enjoyed campus life.

Skit Salutes Incoming Frosh

Eagerly awaiting high school life, newborn Moors were welcomed upon their arrival into the hands of AHS. Opening their eyes to a different and exciting world, the newcomers were introduced to school activities at Freshman Orientation.

Viewing the skit, "Moor-o-chio", as if they were listening to their first fairy tale, freshmen learned from the portrayal of a typical freshman stumbling upon the first few days of school. By demonstrating school spirit, pep squad and drill team inspired enthusiasm in the hearts of the new students.

Freshman girls were further welcomed at the Freshman Tea sponsored by the Girls' League Board. The tea included refreshments, entertainment, and a sequel to "Moor-o-chio."

1) The Freshman Tea acquaints girls with various aspects of high school life. 2) Members of the Girls' League Board present "Moor-o-chio," a humorous skit about freshman life. 3) The Activities Office provides helpful information to incoming freshmen such as solutions for locker problems and other major catastrophes. 4) Freshman girls anxiously await the outcome of the Girls' League skit, "Moor-o-chio."

Spurs Spin for Girls' League Backwards Dance

Getting off to a bronco-busting start, Girls' League put on their first backwards dance of the year on October 19th in the Girls' Gym, entitled "The Wild, Wild, West." "The Glass Family" provided the music as cowboys and cowgirls galloped onto the dance floor. Entertainment included a barber shop quartet, a cancan dance, and a sarsaparilla drinking contest. Awards were also given to the best dressed, cutest, most passionate, and best dancing couples.

1) The winners of the sarsaparilla drinking contest enjoy the evenings festivities.
2) Couples enjoy entertainment by "The Glass Family."
3) Old time favorites are sung by The Barber Shop Quartet. 4) The audience looks on as Girls' League presents contest prizes.

Fanfare for a Fine Faire

If a King's Feast, a Marshmallow Castle Building contest, and Chariot races sound like events from the Renaissance, right "ye" are. During Homecoming Week students from the various classes participated in such contests in the cafeteria before class. Held at Alhambra Park, the Renaissance Faire featured food and game booths run by class councils and campus organizations. Like typical Da Vincis, students showed their interests in the Renaissance by displaying their talent in the art exhibit which was also held at the faire.

1) Post-high school spectators sit cozily while awaiting the kickoff. 2) Behind the scenes, Ms. Carden holds the queen's bouquet before the presentation. 3) A horse-drawn carriage takes the Homecoming Queen on her royal jaunt. 4) A Commission member sells balloons at the evening's festivities. 5) Student rooters cheer on our players despite the lull in action. 6) Returning AHS students observe this year's varsity football team.

Homecoming Court Graces Evening's Festivities

Foreboding castles, a horse and carriage, and the crowning of a queen all characterize the evening which culminated the Homecoming Renaissance Faire. Although from a different century, all of these elements and more appeared at this year's Homecoming game on November 1. The long-awaited moment of the evening came at halftime when Donna Salazar was crowned as the 1974-75 Homecoming Queen with Princesses Carol Bean, Elaine Dickey, Frankie Mora, and Cyndi Whitaker comprising her court.

The Christmas Committee who felt this spirit the most were Co-chairpersons Carla Bonzo and Mark Rivera, John Burns, Patti Hawkes, Jan Jordan, Gordon Kato, Guy Maisnik, JoAnne Mastrangelo, Loreen Okayama, and Carol Yip. The school advisor was Mr. Larry Spence and the Arizona advisor was Mr. Larry Hasbrouck. Also in the spirit of giving, the A Cappella Choir went Christmas caroling to various convalescent homes, hospitals and shops on Main Street.

'Frosted Fantasy' Captures GL Christmas Cheer

Although this year's Girls' League-sponsored Christmas dance was held in the cafeteria, a much criticized location, the turn-out was successful. Holding the dance in the cafeteria enabled the Girls' League Board to obtain lavish decorations and a sensational band, "Carry-On", which filled the evening with holiday cheer and made this year's Christmas dance a "Frosted Fantasy." The climax of the evening was the crowning of the king and queen, Mark Katzmman and Lisa Kay.

Smiles, Dedication, Spirit...

After the harrowing experience of try-outs in the Spring, the 74-75 Pep Squad spent long hours of practice preparing for summer camp. At camp, they learned to refine and synchronize their motions while they acquainted themselves with new cheers.

Pep Squad opened the school year with their performance at Freshman Orientation. But this was only the beginning, as the Pep Squad went on to perform at sports games throughout the year. In addition to performances, much time and effort went to painting signs, organizing pep rallies and perhaps the hardest task of all, trying new ways to ignite spirit in fellow classmates.

Smiles, Work Reward Moorettes

As the clock slowly ticks towards five o'clock, signs of exhaustion, delirium and frustration are quite obvious on every Alhambra Moorette. Surviving through practices during gym and after school was quite an accomplishment for the 1974-75 Drill Team. But just as the work becomes almost unbearable, a major breakthrough occurs and a smile is seen on the face of every girl.

Success was evident as the Drill team added a spark to parades, competitions and sports games. Also, a new idea of splitting the Moorettes into sections so that all sports alike received equal support, was greatly emphasized.

And now that the pages of the calendar have been turned, the Moorettes can look back and see how dedication, hard work and care attribute to a successful and memorable year.

Choral Ensembles Enrich Students, Community

An Idyllwild retreat, the installation of new members, Christmas caroling, festivals, assemblies, and the Spring Concert were some of the activities enjoyed by this year's A Cappella Choir. Installation began the year when tee-peeing of houses and the telling of childhood stories welcomed the new members into Choir. The next big event occurred when sopranos, altos, tenors, and basses boarded a bus to USC's music camp in Idyllwild. Christmas caroling to convalescent homes, hospitals, and shops on Main Street ended the 1974 season of singing. Adding to their experience in performing, the Choir was adjudicated at a festival in May. Assemblies for the student body and a Spring Concert for the community ended the A Cappella Choir's major performances. Aside from these activities, Choir members which were cast as villagers, mamas, and papas, performed in the All-School Musical "Fiddler on the Roof."

Chamber Singers, a group of selected vocalists, displayed their talents at various community affairs and also at AHS musical assemblies. During the Christmas season, the group took part in the procession of "Las Posadas" at the San Gabriel Mission. Director Anthony J. Palmer directed both A Cappella Choir and Chamber Singers through the 1974-1975 school year.

'75 Senior Play Depicts Crazy Night in "The Tavern"

In an enchanting and fun-filled atmosphere which reflected the true spirit behind George M. Cohan's hilarious comedy THE TAVERN, AHS students entertained their audience with tremendous acting, singing, dancing, and musical talents at the 1975 Senior Class play. The two-act "mellow-drammer" was presented in the school auditorium on January 16, 17, and 18. An air of nostalgia was created effectively by the use of colorful and authentic costumes, special entertainment presentations during intermission, and amusing old fashioned language used in the programs. Directed by Mr. Lanny Watkins, students from all grade levels portrayed Cohan's delightful characters with professional ability and style. The proceeds from the play went to the Senior Class fund to help finance the many senior activities.

1) Backstage before the opening scene, always a busy place, the cast goes through last minute make-up applications. 2) Violet, the mysterious crazy woman, receives help from the vagabond, as the tavern keeper and his son look on. 3) During intermission, the Olio Girls entertain the audience with flashy dance steps. 4) Willum, the hired man, vigorously relates the strange happenings at the tavern to Sally. 5) The Governor and his wife are somewhat appalled by the strange behavior of the vagabond.

'Fiddler' Fashions Tradition at AHS

In our little village of Alhambra, we have many traditions, and one of these traditions is the presentation of a musical production every other year. You may ask: "What show did we do this year?" Well, I'll tell you: 'Fiddler on the Roof.' And when was it? On May 2,3,9, and 10, that's when. And what else? Well, we made a recording of the songs and we had lots of parties. All of us together, the villagers and the committee people behind the scenes, came to be like one big happy family . . . and well, we had a great time sharing this village of ours with audiences this spring.

1) In Tevye's dream, the appearance of Fruma Sarah's ghost frightens villagers. 2) Realizing that love is taking the place of prearranged marriages, Tevye asks Golde if she loves him in the song, "Do You Love Me?" 3) Choreographer Tim Bowman demonstrates a new step for the bottle dancers. 4) Tevye's family joins in reciting the Sabbath Prayer. 5) The villagers of Anatevka celebrate the marriage announcement of Lazar Wolf and Tzeitel. 6) In 'Fiddler on the Roof,' the fiddler represents the traditions and beliefs of the villagers.

Alhambra Players' Revue: 'A Thurber Carnival'

Comedy sketches, orchestral accompaniment, and satirical humor were assembled under the direction of Mr. James McClure and student director Pam Carroll. "A Thurber Carnival" was brought to AHS's Little Theater on November 14, 15, and 16. The production was a revue of James Thurber's stories adapted for the stage. It was performed by the Alhambra Players, a group which consisted of AHS faculty, community members, students, and alumni. Adding to the production was a small orchestra, its members including Craigg Castillo, Grace Huerta, Bob Kennedy, and Jerry Quesada.

1) In Thurber's "Word Dance," the cast throws out a series of amusing one-liners. 2) A millionaire banker is prepared for surgery by Mitty and his surgical staff in "The Secret Life of Walter Mitty." 3) Marital problems center on "Mr. Preble Gets Rid of his Wife." 4) A jazz ensemble plays mood-setting music for "A Thurber Carnival."

Creative Talents Compiles in 'OBBLIGATO'

The publishing of the OBBLIGATO, Alhambra's fine arts magazine was the major activity carried out by the Writer's Guild. Students contributed to the making of the OBBLIGATO with numerous poems, prose, photographs, and various types of art. Besides keeping busy with the editing of the OBBLIGATO, the members attended the performance of *Sugar* and the Chaplin Film Festival.

Moor Staff Achieves Excellence

Keeping up with the high standards set by previous Moor staffs was a challenge readily accepted by this year's Moor journalists. An emphasis on communicating to students and presenting school events in an informative and interesting way motivated the staff in their attempt to win the top honor of "All-American" for its 19th consecutive year. After 26 years as the advisor of *The Moor*, Mr. Ted Tajima has become a symbol of excellence. First semester editor-in-chief Mina Chung attempted throughout the first semester to present Moor topics with an unbiased opinion, while semester II editor-in-chief Meiling Fang emphasized the need for more involvement in student politics.

1) Circulators play an important part in the distribution of *The Moor*. 2) Aside from taking pictures, Moor photographers spend a great deal of their time developing film. 3) Moor staff uses their typewriters to the fullest capacity in trying to meet publishing deadlines. 4) Semester I's editor-in-chief, associate editor, and sports editor look back on past copies of *The Moor*. 5) Semester I's editor-in-chief is Mina Chung, associate editor Meiling Fang, sports editor Vern Yonemura, entertainment editor Lon Nagato, advertisement manager Frank Soldevilla, and business manager Sharon de Goede. Lloyd Hasegawa, Gordon Kato, JoAnne Mastrangelo, and Mark Paulson are Moor photographers. Cartoonists are Earl Gee and Leland Kurisu. Other staff members include Danielle Adams, Gil Aguirre, Dorothy Bowman, Marilyn Buchany, Bennie Charca, Susan Concha, Kathy Cuccia, Cheryl Endo, Bernice Fong, Elaine Fong, Becky Gillis, Dan Hasegawa, Roland Hernandez, Leslie Howard, Jon Kagawa, Richard Kirkham, Melissa Martinez, David McLean, Phil Medina, Leeann Mills, Anna Moraga, Maral Nigolayan, Jeff Sewell, Kathy Stits, Ken Taira, Patti Woo, and Cathy Whitaker. The advisor of *The Moor* is Mr. Ted Tajima.

ALHAMBRA Staff Meets Deadlines...

and the Sun Also Sets on D1

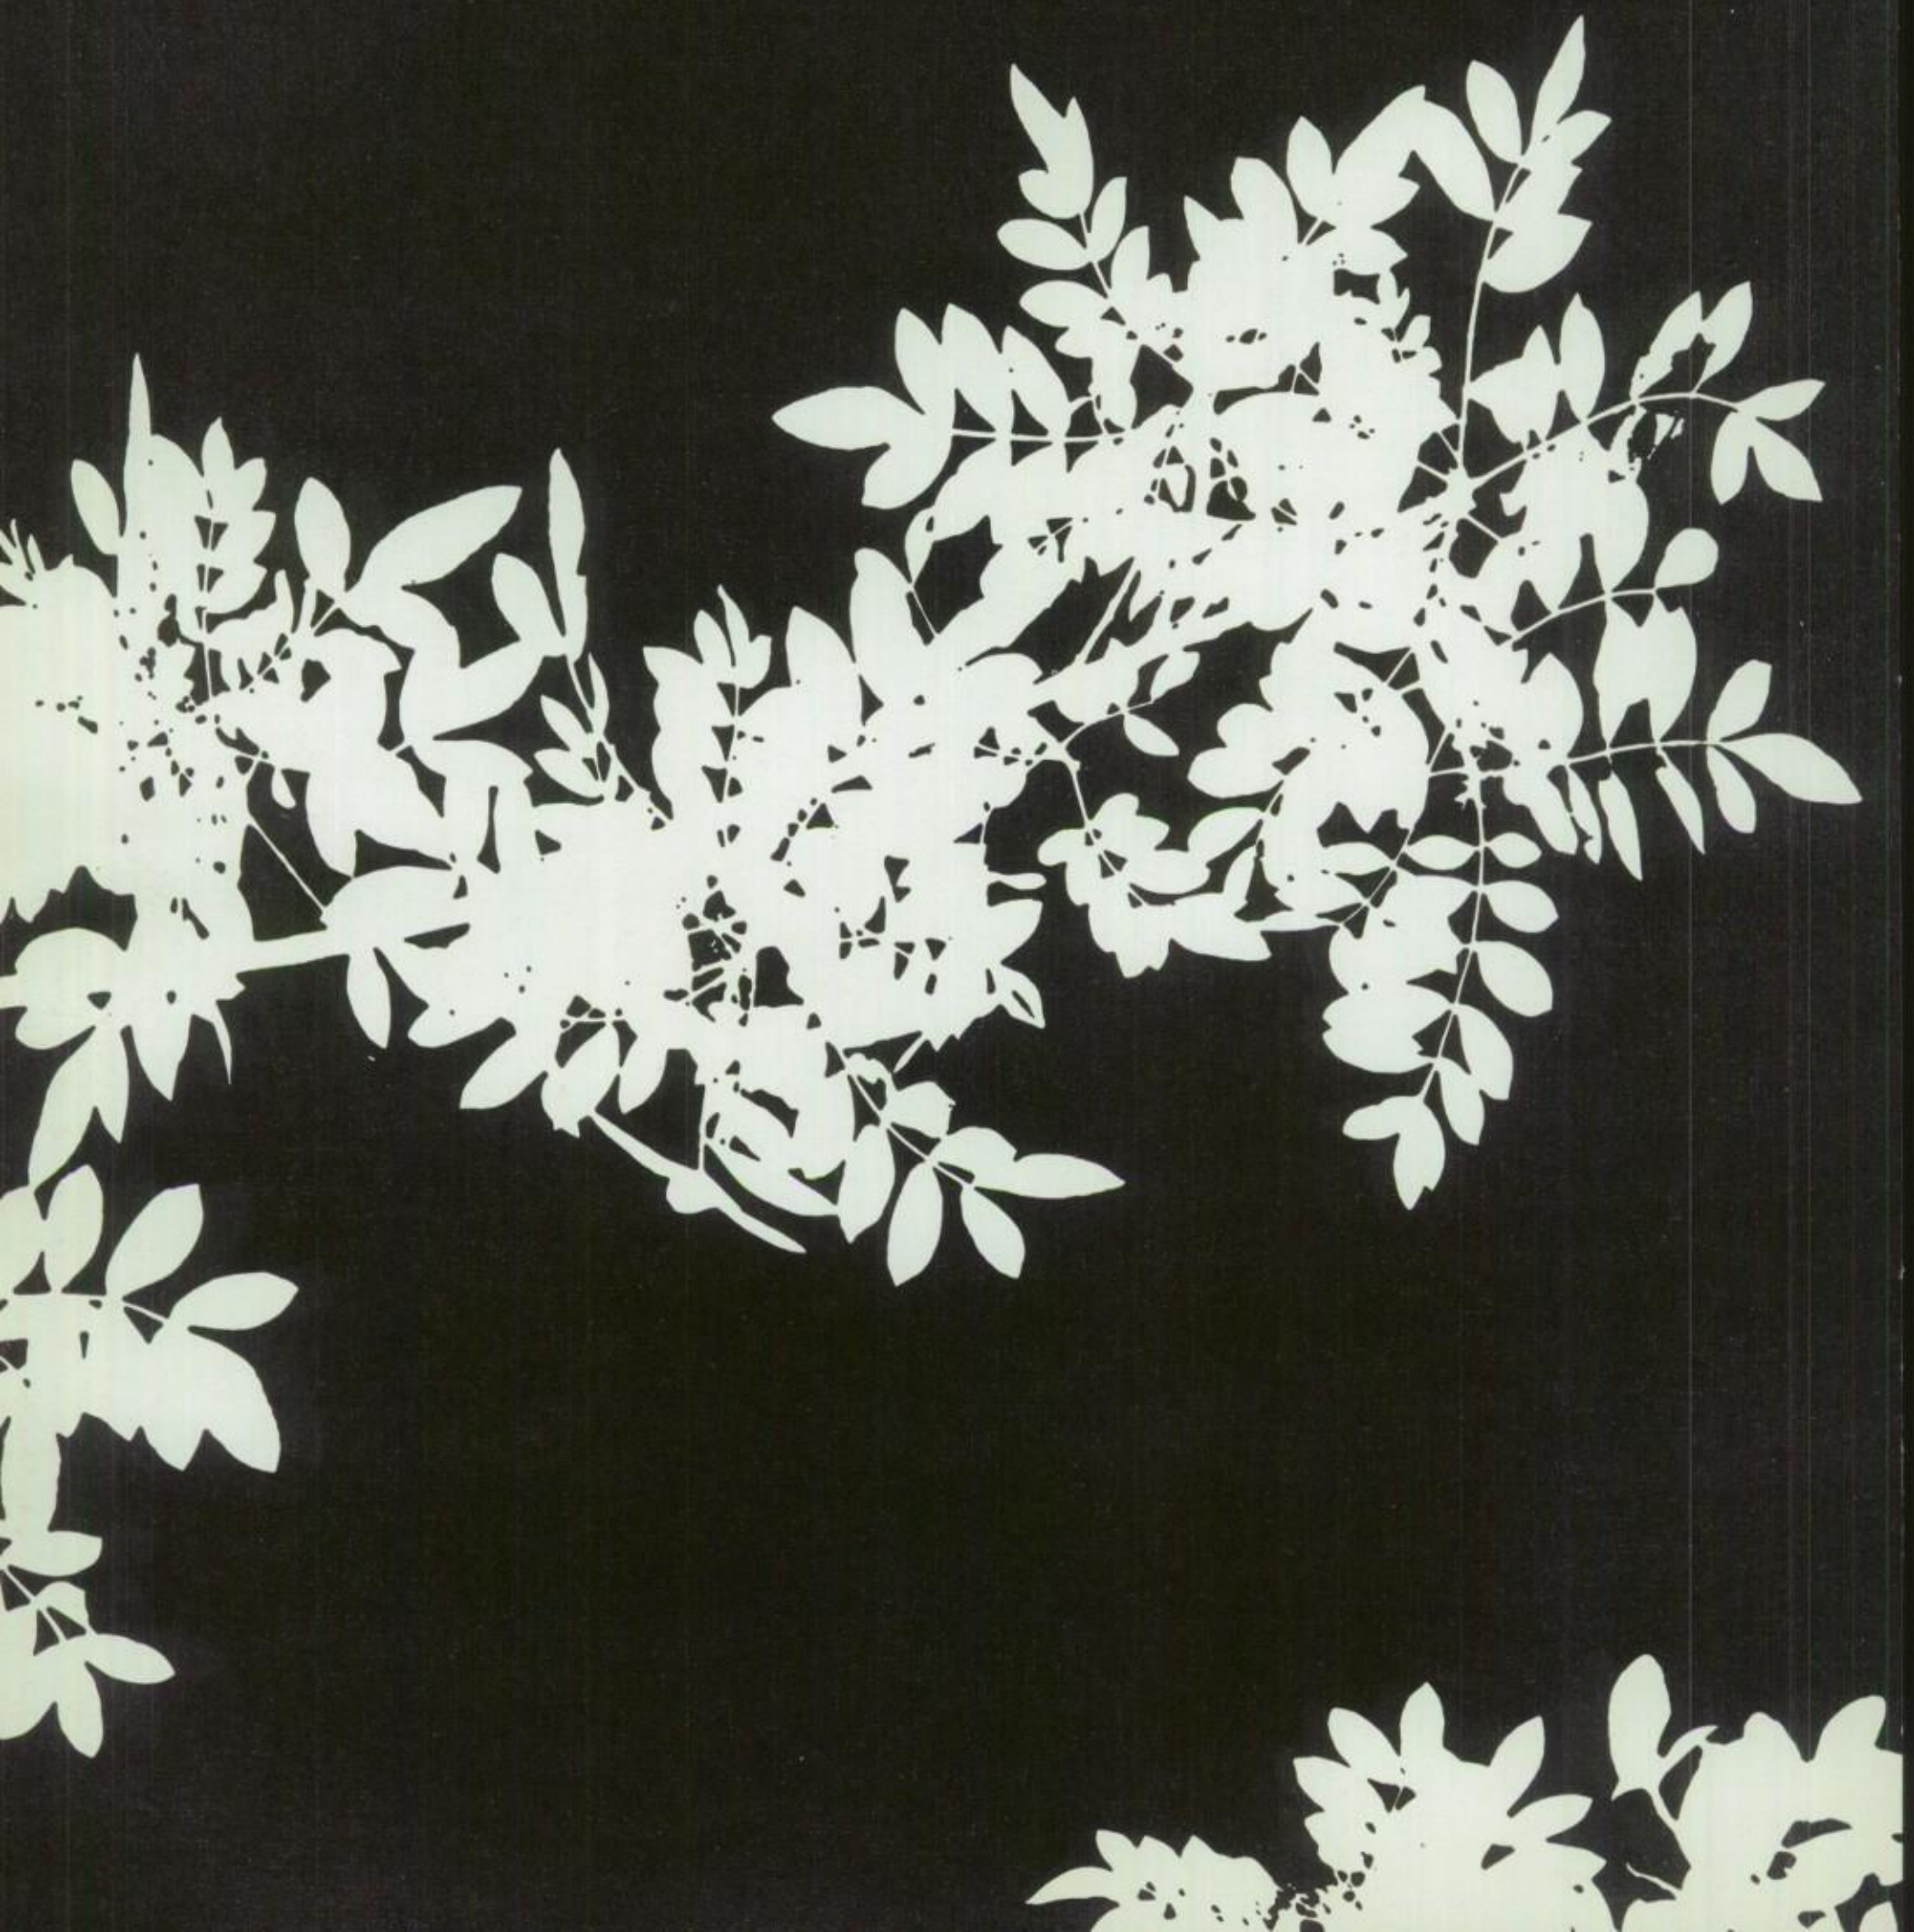

Watching the sun set from the balcony of D1, the ALHAMBRA staff worked diligently and insanely to meet publishing deadlines. Because of the division expansion from two pages to six and the extensive use of color and spot color, the staff had to adjust to the relatively close scheduling of deadlines.

In addition to the adjustment of revised deadline dates, the staff underwent a changeover of publishing companies. During their first year of publication with American Yearbook Company, the staff became acquainted with new procedures and production methods.

1) Members of the Alhambran staff work diligently on layout design and picture cropping in various sections of the 1975 Alhambran. 2) Editors and staff members look over a new shipment of pictures trying to select those that are the most effective and interesting. 3) The Alhambran photographers, two of the busiest and hardest working members of the staff, look for good backgrounds for yearbook pictures. 4) The yearbook staff is busy at work trying to complete pages in time for the important deadlines. 5) Editors discuss the complicated procedure of assembling a page, which includes layout designing, picture cropping, and copy, headline, and caption writing.

This year two new Board members, William D. Bridges and Charles C. Scanlon, were elected to fill the vacancies left by Mr. Andrew Westerfield and Mrs. Janet Howell, a temporary replacement for the late Mr. Robert Lane.

Attending Board meetings for the fourth year are student liasons. They represent ideas on crucial issues from the student side, and provide a vital link between administrators and pupils.

1) Student Liasons: Anna Moraga, Senior Liason; Charlene Su, member. 2) Student Liason member Dan Trapp 3) Board of Education: Mrs. Dorothy W. Mather, Vice-President; Mr. Jerome L. Fluster, member; Mr. Carl Van Winkle, member; Mr. Andrew J. Westerfield Jr., President; Mrs. Janet M. Howell, member. 4) Newly elected Board members: Charles C. Scanlon, William D. Alternative School

A "school within a school", or Alternative School as it was formally known, was initiated this year to provide learning patterns closer atuned to the individual student. An opportunity for individual study within a flexible schedule allowed students to plan their own curriculum with the proper guidance and advice of Alternative School teachers.

With the innovative philosophy of Alternative School came the creation of unique courses such as Film History, Oriental Philosophy and Israeli Folk Dancing. Tutoring practice at local elementary schools and student teaching in courses such as Lost Wax Jewelry, Ceramics and Guitar were among the credit-earning experiences engaged in by students of the Alternative School.

Gaining knowledge from each other, the 100 students developed closer relationships among themselves and with the teachers. Spearheaded by the efforts of Jerry Lewin, Cheryl Sylanski, Ted Tajima and Virginia Webb, a casual, unconventional administration of learning was achieved with a resulting, prevalence of "good vibes" about a re-vitalized educational experience.

It was during the early summer of 1974 that the school district administration sought an answer to a perplexing question. Renovations at Mark Keppel High School which included the air conditioning and sound-proofing of rooms affected by the adjacent San Bernardino Freeway had been temporarily delayed because of labor disputes first between the carpenters and then between the insulators. As a result of these setbacks, MKHS would not be able to open its doors to learning until late November at the earliest. The only feasible answer then, was that of sharing. But what? . . . a sharing of campuses between schools with the forty year old rivalry of Alhambra High School and Mark Keppel High School?

And so it was that both students and teachers alike questioned the situation which was to prevail with the return to school come September. The problems of scheduling, curriculum changes, transportation, athletic events, club activities and other extra-curricular programs were met

with a challenge and solved through cooperative efforts by the administrations of both high schools.

The first question at hand concerned the allotment of split-sessions. What would the hours be, and which school would occupy the campus at which session? It was decided, because of the number of students participating in Work Experience or the "4-4" plan, that Alhambra High, the "host" school, would occupy the campus for the morning shift from 7:15 to 11:20 a.m. MKHS began its classes at 12:30 and dismissed at 4:50. Both schools held classes with three periods a day. Alhambra's periods were 75 minutes long with ten minute passing periods, while Mark Keppel's classes lasted 80 minutes with the same length of passing periods.

The months to come were characterized by a united effort of sharing on the parts of both high schools. All facilities, from the clothes lockers in the boys' and girls'

A School Divided..

gyms to the desk drawers of Principal Donald McGuigan, were shared on an equal basis.

The "changing of the guards" at noon proceeded smoothly and problem-free, and with the passing of each day of the new schedule, rumors were increasingly dispelled about the problems and "dangers" of the situation. The scenes of shuffling students to and from the Second and Third Street depots were reminiscent of Terminal Annex, but all in all, the problems of transportation were minimal.

Friction between the students of both schools which was feared by the community and administrators never did materialize. Instead, the students used the opportunity to demonstrate that the two schools could share one campus harmoniously. On the eve of the Moor-Aztec football battle, the players and coaches from both schools "scarfed up" at a spaghetti feed

sponsored by the Cabinet of MKHS, and the AHS Commission. This was merely one example of the unity in spirit of both high schools during this trial of efforts.

By November 4, restorations at Mark Keppel High had been completed and the school was able to reopen as scheduled. Despite the inconveniences and apprehensions of the situation at the outset of split sessions, the administrators and student bodies of both schools returned to normalcy with a new and positive outlook towards themselves and each other. Because of the efforts of everyone involved with the planning and administration of the sharing program, the results were nothing short of triumphant. If the split session program did nothing more than dispell rumors of "hatred" and "bitter rivalry" it appeared to be well worth the inconvenience of sharing gym lockers and waking up a half hour earlier.

The Speech Department offers every student curricula which provides an immediate reward for learned and acquired knowledge. In Speech, students learn to speak in a variety of speaking situations. Those taking Drama study roles in plays and then perform them on sets constructed by the Stagecraft classes. TV Production enables students to adapt what they watch on the tube into taped productions. Debaters are given the opportunity to compete against students from other schools.

Courses in the Business Education Department are designed to offer training in skills for many jobs. Because college preparatory students have many required courses and thus limited time, a new course, Senior Girl Friday, has been opened to both sexes. It is designed for high achieving seniors who thrive on short, no homework classes. Six, three-week mini courses are offered on PBX, filing, duplicating, medical forms, and payroll. A vital aspect of the Business Education Department is the store and bank which introduce students to banking and store management.

Career Exploration

The Work Experience classroom is the community; the teachers are the business and professional people of the Alhambra area who donate time and effort to prepare students for future work. Because each job is different, the curriculum is designed for each student with these guidelines: (1) fulfilling the required hours of work for credit and (2) completing related lesson assignments such as attending career speaker meetings.

Individual Studies

Individual Studies offers ninth and tenth graders who have truancy or school adjustment problems an opportunity to make a fresh start. All teaching is on an individual basis as students fill the gaps in their education.

The interests of *INTERNATIONAL CLUB* lie in bringing the AFS students' culture to our student body. Dinners featuring authentic dishes from various countries and the showing of films highlighted the club's events. To help the finances of the AFS program, International Club re-initiated the traditional donkey basketball game. *FRENCH CLUB* has attempted to make the students more aware of the French language and culture. By holding open meetings where featured speakers enlightened the members, the club succeeded in coupling an educational experience with entertainment. A World War II German fighting ship and Alpine Village were among the visits

taken by *GERMAN CLUB*. The holiday festivities were celebrated by the members with the traditional German Weihnachten Party. Slave auctioning held in the appropriate attire of the toga typified the annual Latin Banquet held by *LATIN CLUB*. Besides planning this event, the group took field trips to art museums and a Latin convention. A fiesta planned by *SPANISH CLUB* featured entertainment by Spanish dancers, presentations by noted speakers and a menu with a Spanish flavor. Besides this activity, members kept themselves busy with language presentations and field trips.

With one of the largest memberships since its establishment at AHS, CSF members worked hard in achieving scholastic excellence. Highlighting the year were the bi-annual beach trips and a dinner honoring the record number of CSF Life Members in the first semester. Forty-four seniors or 6.6 per cent of the senior class, earned life membership in the

California Scholarship Federation. First semester, 10.1 per cent of the senior class qualified. The junior class has the highest percentage (14.1) of students qualifying for CSF. The sophomores had 10.5 per cent of their class qualifying for CSF and the freshmen had only 5.7 per cent of their freshmen as associate members.

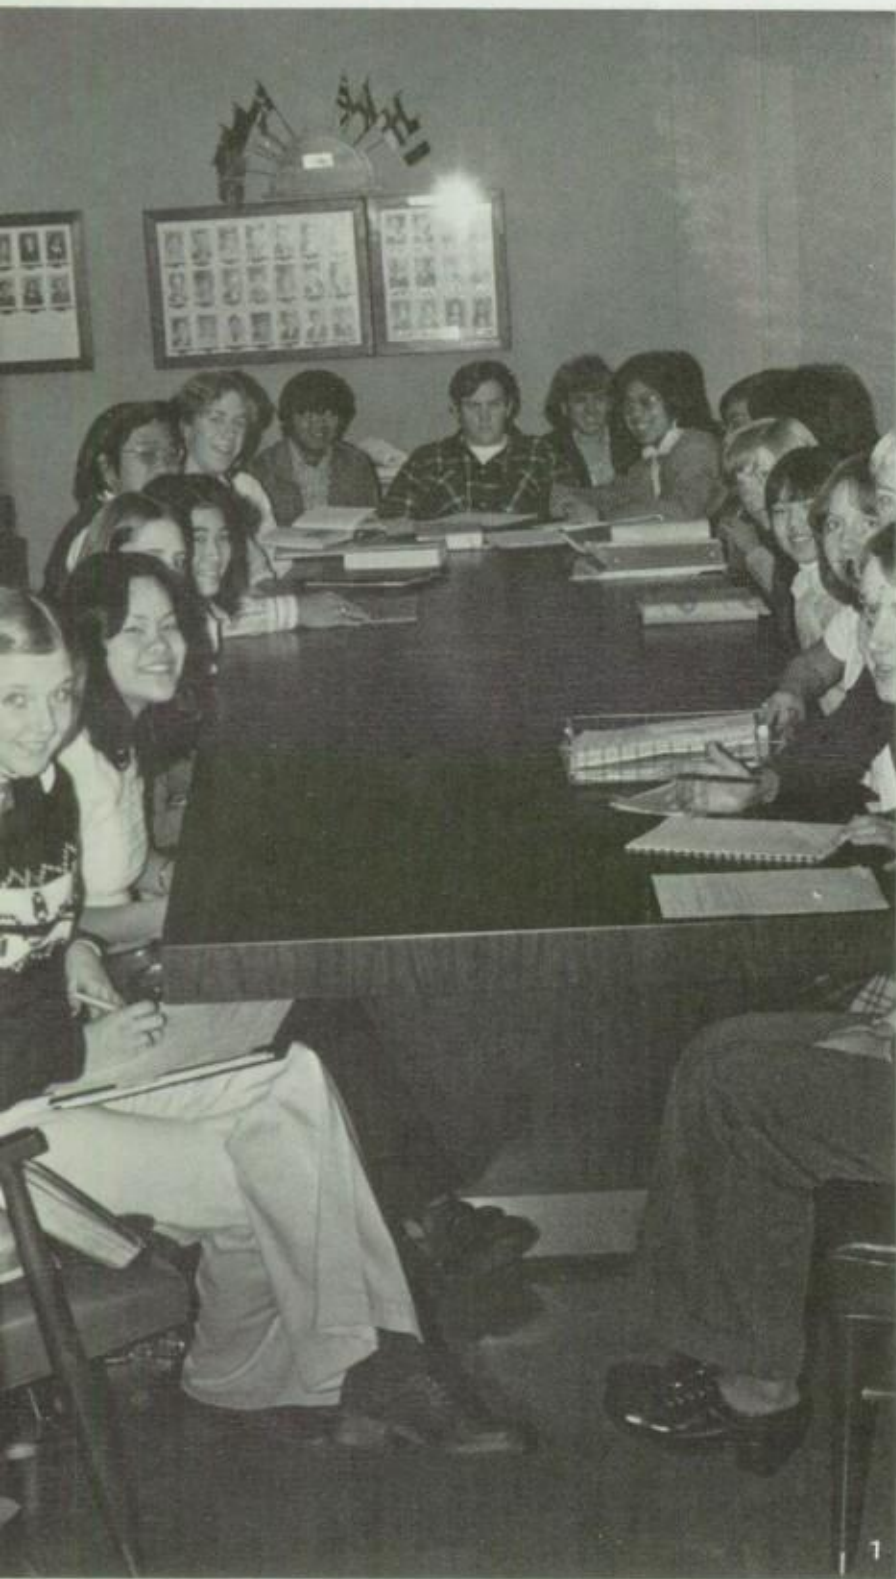

INTER-CLUB COUNCIL, an organization of all the service club presidents, met weekly to share ideas, successes and problems, and distribute assignments.

Some events planned were the building of Homecoming floats, supporting the Navajo Christmas Project, and also fund raising drives for such organizations as the Multiple Sclerosis Society and the Heart Association. Altogether, service club members volunteered about 14,500 hours this year.

CAMPUS SERVICE CLUB supported an oriental service group in L.A. during their annual Lotus and Moon Festival. Members demonstrated crafts to those attending it. Fund raising projects helped fund scholarships to deserving senior girls. *JUNIOR EXCHANGE SERVICE CLUB* gave parties for a

children's day care center, helped set up booths at the annual Highlands Park carnival, serviced the Red Cross Chapter of Alhambra, and collected canned goods for the AHS Christmas Project. The club also sponsored a movie, "Pacific Vibrations", to help fight multiple sclerosis. The *JUNIOR CIVITAN SERVICE CLUB* started a Southern California Civitan District and a new Junior Civitan Club at San Gabriel High School. Members made stuffed animals for a children's hospital. The club has a joint campership fund with the Senior Civitan Club of Alhambra which sends children to camp every year. The club's fund raising profits go mainly to help fund services for the mentally retarded.

PREXY COUNCIL consists of an elected board of officers, club presidents, and representatives from each club. Starting off the year, clubs competed with each other in a volleyball tournament. Among the many activities held were the Sweetheart's Ball, Inductions, and club orientations. The annual Spring Dessert highlighted a year of successful events. Doing the unusual, *LA AMITIE* washed windows for the cars in drive-ins. They had many car washes

and football games. A professor from UCLA came to speak at one of their meetings. *LA AMORE SINCERE* visited a children's hospital and orphanage. Instead of waiting for customers at a bake sale, their members went to houses and took orders for the next day. Sponsoring their 5th annual Steady Game, *LA CHANDELLE* used the profits to finance an Easter week beach trip. The members also engaged in a Spring fashion show sponsored by 'The Place' boutique of Pasadena.

LES PETITES AMIES had an unusual service project this year. It was a make-up demonstration in which they learned about various types of skin care and make-up application. They planned a fun-loving winter trip to Big Bear. Being one of the youngest clubs on campus, *MA CHERE AMIE* kept very busy planning a visit to an orphanage. They went during Thanksgiving vacation. They also sponsored a bake sale at the Garfield Elementary School swap meet. Getting involved in AHS activities, they participated in the GL's

backwards dance and Renaissance Faire. The members of *MOANA KEA* this past year spent service hours at the San Gabriel Humane Society. They enjoyed some of their religious meetings at the Fish Christian Fellowship House in Gardena. *NA ALII* dressed in costumes to bring candy and games to the children at the Cal State Los Angeles Medical Center during Halloween. LA ESTRELLITA went to the mountains during Easter Week and held fund raising projects during the year to help finance the trip. One of the projects was selling garters and other items at the Girls' League backwards dance. *LANAKILA'S* major service activity was arranging a Thanksgiving dinner for a poor family of six. The club members enjoyed the mountains and the beach as well as celebrating their new advisor's first year with them. For *LAS KEALIAS*, the world service and capital funds donations were a major emphasis, and fund raising activities were vital to achieving their goal. They had a pie social in October, and collected magazines for which they were paid by the copy. At a get-acquainted meeting they had a "Match Game-

Kealias Style" where the members dressed as celebrities and the prospective members were contestants. Busy with fund raisers, *LAULE'A* conducted a major raffle ticket sale for a radio and participated in a swap meet. An interesting service project was making an afghan for a convalescent home. The club also donated soup can labels to Garfield Elementary School for projectors and school equipment. *LEHUE NANI* addressed post cards and other items for a political campaign in October. Their club members engaged in a large service project at Christmas time. They donated a Christmas tree to a convalescent hospital and each member of the club made ornaments.

...but Moor Spirit Prevails

For the second consecutive year, the Alhambra Varsity Football squad found themselves in the Pacific League cellar with an 1-8 record. Opening the pre-season with a victory over cross-town rival Mark Keppel, the Moors proved that they had the talent needed to win. But as the season wore on, the Moors lost many key players due to injuries and also lost the rest of their games.

Completing his second year as Head Coach, Lowell Johnson had the assistance of coaches Gary Neeley, Larry Taylor, Emmett Menasco, and Joel Kirsch. Running back Mark Gates, the players' MVP, and defensive lineman Gary Bouck, the coaches' MVP, were a few of the many fine players that showed great promise.

The 2-3 record was good for fourth place in the Pacific League, and the team members gave every indication of being fine additions to next year's Alhambra Varsity Football team.

Suffering only two losses in rugged league competition, including a heartbreaking one point loss to an excellent Montebello team, the Moors qualified for the CIF playoffs. Varsity Wrestlers Stumble in PL Matches

Throughout the season, the 1974-75 varsity wrestlers looked much better than their 2-3 league record indicated. Ending their preleague matches with an excellent 7-2 record, the matmen were hit with injury and illnesses going into Pacific League competition, which accounted for their poor league showing. Outstanding individual talent was exhibited by many of the wrestlers, including Richard Eto, Cedric Glover, Dave Byington, and MVP Mark Guzman. All four of these Moors went on to the CIF preliminaries after the season ended.

JV Grapplers Experience Difficult Season

During the '74-'75 season, the Moor Junior Varsity wrestlers battled fierce competition from top-ranked opponents. Holding their own, however, the Moors managed to finish in the middle of the pack, much to the efforts of the Coach Neeley and an unusually large team.

Balanced League Frustrates Varsity Cagers

The 1974-75 Varsity basketball team finished 3-7 in a very rugged Pacific League. A youthful and competitive team, the varsity cagers were continually frustrated by losses which could have easily been victories. Although a well-balanced Pacific League kept them from competing in post-league playoffs, it did not diminish the spirit of the youthful Moors. Led by sophomore star George Ratkovich and junior Matt Pebley, the Moors have a very bright future ahead.

Explosive Frosh Cagers Tie for League Crown

A highly touted frosh team exploded in the second round of Pacific League play to tie for the PL crown. Coached by Mr. Kneeland, the frosh started off slowly but eventually became a devastating unit. Led by freshman star Craig Boatman, the frosh rarely found a team which could match them in ability.

Frosh-Soph Bewilders League

Expected to be a mediocre team without an exceptional player, the 1974-75 frosh-soph cagers startled many of its opponents and eventually tied for the PL crown. Playing consistently throughout the year, the frosh-soph combined unexpected talent with the excellent teaching of Coach Holmes. Jim Hu and Larry Kemp provided the floor leadership and the scoring points needed throughout the winning season.

1) John Gellatly out-rebounds both his opponents despite being fouled. 2) Displaying excellent body control, Jim Hawkes prepares to pass to a team mate. 3) Driving through two opponents, Jim Hawkes looks to the basket. 4) Awkward position adds to Larry McGee's troubles as an opponent swarms over him. 5) Ulises Aguirre controls the tip as his opponent swipes at nothing but air. 6) A porous defense allows Mark Casas to score an uncontested lay-up. 7) Walt Luchinger challenges his opponent, despite the possibility of having his shot blocked.

New Talent Overwhelms Varsity Baseball Team

A wealth of new and young talent gave the 1975 Varsity Baseball team a fighting chance for the Pacific League Championship. With only three players returning from last year's championship team, the varsity squad had to cope with stronger and stiffer competition this year. Led by the fine pitching of Jose Cuellar and the hitting of Ray Razo and Sam Battle, the Moors often found themselves in a close game. A pleasant surprise this year was the excellent play of many new starters and of freshman Joe Hiti, catcher.

1) Junior Ray Razo awaits the ball from second base to complete a successful double-play. 2) Dan Perales takes off for first base. 3) Sam Battle, a leading hitter all season, stands ready at homeplate. 4) Battle knocks a long drive into the opponent's outfield. 5) Varsity team watches from the bench as a Moor adds another point to the score. 6) For the final out, an opponent runner is beat out by first baseman Ray Razo.

Jayvees Build AHS Future Baseball Program

Despite the lack of success in a majority of their outings, the JV's used the 1974-75 season to obtain valuable playing experience. The team had no one outstanding player, but instead employed young players, such as Craig Boatman and Albert Cappello, who should help AHS' future baseball program. The JV hidlers were coached by Mr. Holmes, who was forced to use a very inexperienced starting line-up.

Limited Talent Downs Frosh-Soph Hiders

Age played a very important part in the Frosh-Soph's baseball season. Alhambra High had many talented freshmen and sophomore players, but because of limited baseball talent in previous years many of these players moved up to the JV and varsity teams. This escalation of talent proved very costly to the frosh-soph team because it left them with a very young and inexperienced team. Instructed by Coach Neely, the team was sound defensively but lacked a strong pitching unit.

1) Albert Cappello's alert base-running enables him to foil opponent's pick-off maneuver. 2) Both John Dager and the opposing catcher await the results of a line drive. 3) Coach Holmes instills advice and confidence in his young players. 4) As the homeplate umpire prepares to give his verdict, Larry McGee clearly tags out the Pasadena runner before the plate. 5) By expertly blocking the base-path, Bob Mahan gives the Moors an easy out. 6) Always a serious threat on the bases, Maurice Scott plays a guessing game with his opponents. 7) By using correct batting technique, Dave Fife manages to obtain solid contact.

Infusion of Talent Sharpens Varsity Skills

Despite the loss of key graduating seniors, the return of 37 lettermen from the 1974 squads and the infusion of talented newcomers has resulted in a 1975 Varsity Track team of great strength and depth. This talent was very much needed, for the Alhambrans competed in one of the toughest leagues in Southern California.

Coaching the distance runners was Head Coach Ron Larson. Ron Monsegue sharpened the skills of the Alhambran sprint runners. Coach Ralph Martinez tutored the talented field men and Coach Nick Pierson guided the two Alhambran pole vaulters.

1) Bob Cortez, sophomore sprinter, leads off for Alhambra in the varsity 440 yard relay. 2) Ron Piccirillo wins his first varsity 330 yard low hurdles race which established a new school record for this event. 3) Glenn Ousley begins a strong finishing kick that carries him to victory in the varsity mile. 4) Steve Rosen, Alhambra's top sprinter for the second consecutive season, shows good form out of the blocks in the varsity 220 yard sprint.

JV Tracksters Field Potential Talent

Opening with big wins over Whittier and Mark Keppel, the JV tracksters fielded a much improved team in 1975. Contributing highly to the squad were distance runners Bob Andrade, Wing Chung, Armando Valdez, and Chuck Carpenter, as well as sprinters Steve Catano, Jim Hicks, and Clinton Gee. Coach Ron Larson's top field men were Carlos Bernal and Angel Doctor.

Frosh-Soph Runners Anticipate Forthcoming Excellence

The 1975 Frosh-Soph Track Squad opened the season with big wins over Mark Keppel and Whittier. With three-fourths of the CIF qualifying 440 yard relay team back, key members of an undefeated Frosh-Soph Cross Country Championship team and some very talented newcomers, this team had very good potential in 1975.

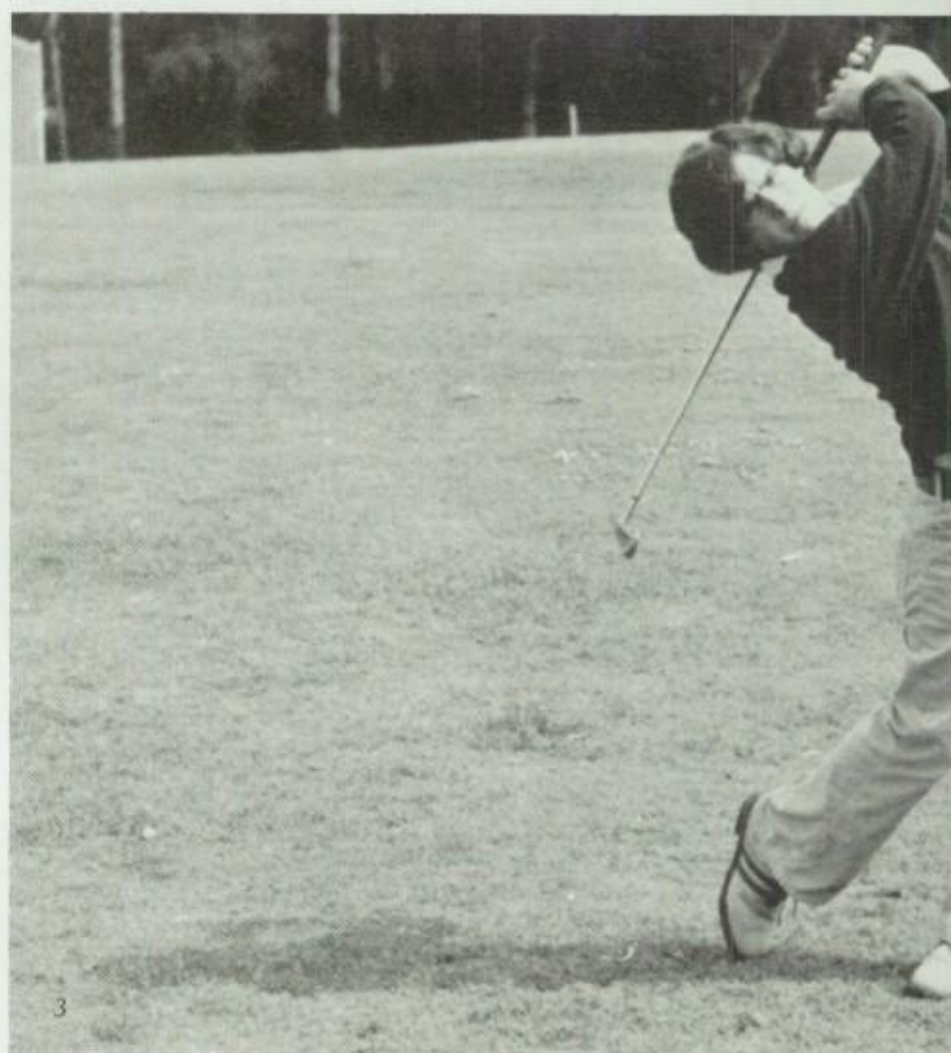

1) Chuck Carpenter and Bob Andrade have a big lead over the field in the JV mile event. 2) Frosh-Sophs get off to an excellent start in the 100 yard dash. 3) Wing Chung and Chuck Carpenter are far in front of the rest of the field in the JV 880 yard race. 4) Race-winning Steve Catano (center) starts the JV 100 yard dash. 5) Mitch Moore takes first in Frosh-Soph mile, with Jon Freriks a close second. 6) Ernie Beltran receives baton from Tony Regalado in last leg of 440 yard relay.

Varsity Duffers Rely on Returning Lettermen

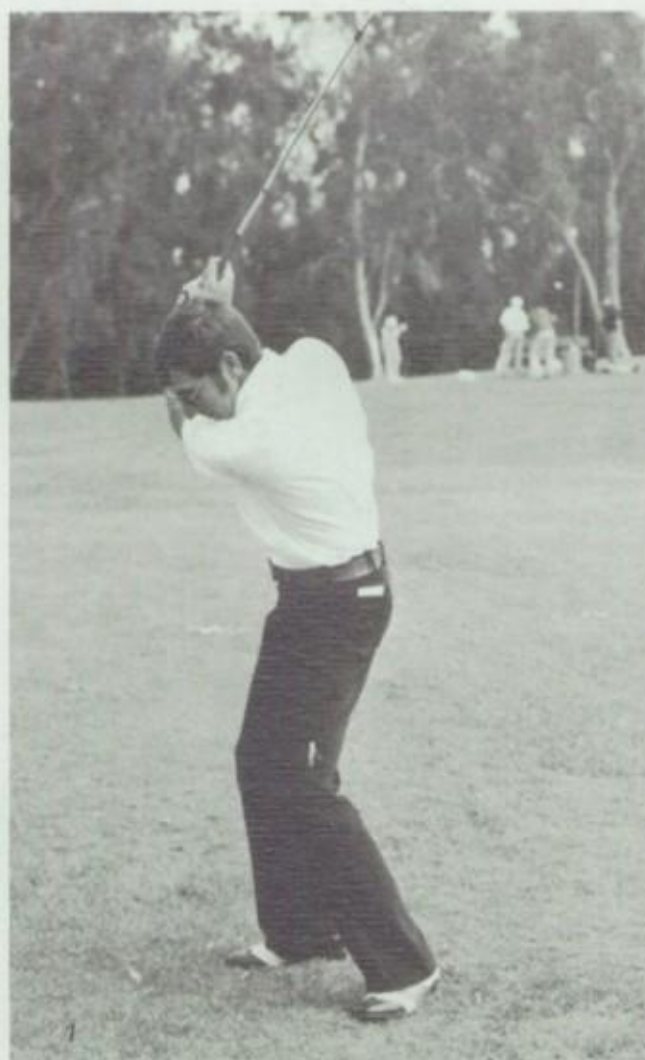

The Varsity Golfers relied on the consistent play of several key outstanding athletes. Four-year varsity letterman Steve Luchetta led the squad, while returning lettermen Richard Mar and Bob Vukanovich made valuable contributions. Experience played an important role as a majority of the varsity squad took a part in last year's championship team.

1) Randy Toma 2) Ronald Rosenberg; 3) Robert Vukanovich 4) Thomas Luchetta 5) Steve Luchetta 6) Cary Akiyoshi 7) Richard Mar

JV Golfers Pool Various Talents

The JV Duffers were in the same position as the varsity squad except they were without returning lettermen. Instead of relying on this key resource, Coach Tedford recruited several excellent golfers, who he hoped would help bring the JV golfers another championship. The JV squad trained daily, enabling them to sharpen their skills and rebuild another top contender.

1) Edward Galvan is caught while in the midst of his swing. 2) David Winchell, Larry Bague and Randall Shew await the outcome as Edward Galvan concentrates on a ten foot putt. 3) While awaiting his turn, George Fong joins Jeffrey Lee, who completes his shot.

Rugged Pre-season Readies JV, Frosh-Soph Netmen

The pre-season proved to be a good starting point for the JV and Frosh-Soph Tennis teams as they conquered one opponent after another. Coach Brown's JV team played impressively and showed good form on their way to posting an outstanding record. The Frosh-Soph Tennis team, also coached by Mr. Brown, played exceptionally well while going undefeated in pre-season play.

1) Kevin Hansen follows through after hitting a backhand lob. 2) Wayne Jong and Bren Seki, playing doubles find success on the JV squad. 3) Number one frosh-soph tennis player, Fernando Rivadeneyra, returns a smash with his backhand.

Varsity Netters' Expectations High in Pacific League

Coached by Steve Kemp, the 1975 Varsity Tennis team displayed excellent individual talent throughout the season. Triggered by the efforts of key players Guy Maisnik and Keith Cheng, the varsity netmen entertained the prospects of successful play in their league matches. Maisnik and Cheng, returning lettermen along with Dereck Wong and Kamal Husain, continued to outplay their opponents with the experience they garnered from past seasons. Carla Bonzo, the first female to ever play on the Varsity Tennis team, was a great asset to the team. Strong support was also given by John Ito, Mike Luna, Kevin Mah, and Rod Okawa in their first varsity season for the Moors.

Moor Gymnasts Rely Heavily on Experience

Led by seasoned seniors, the 1974-75 gymnasts entered league play with experience in all events. The gymnasts exhibited splendor and grace in several exercises, but their strength was never doubted, as the Moors dominated the rings. Rick Abe, Jesse Ortega, and Mike Eng did exceptionally well in many events, but the team's best weapon was all-around gymnast, Steve Omi.

Aquatics, 1975 PL Champs, Combine Individual, Team Effort

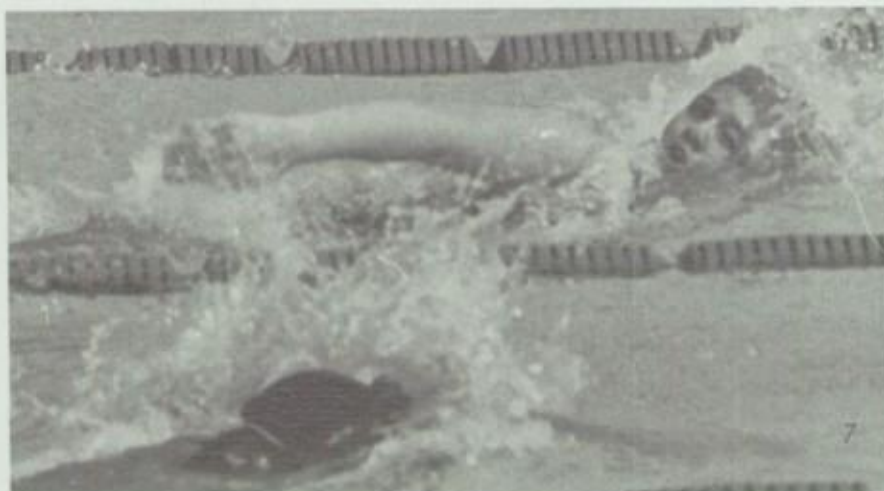

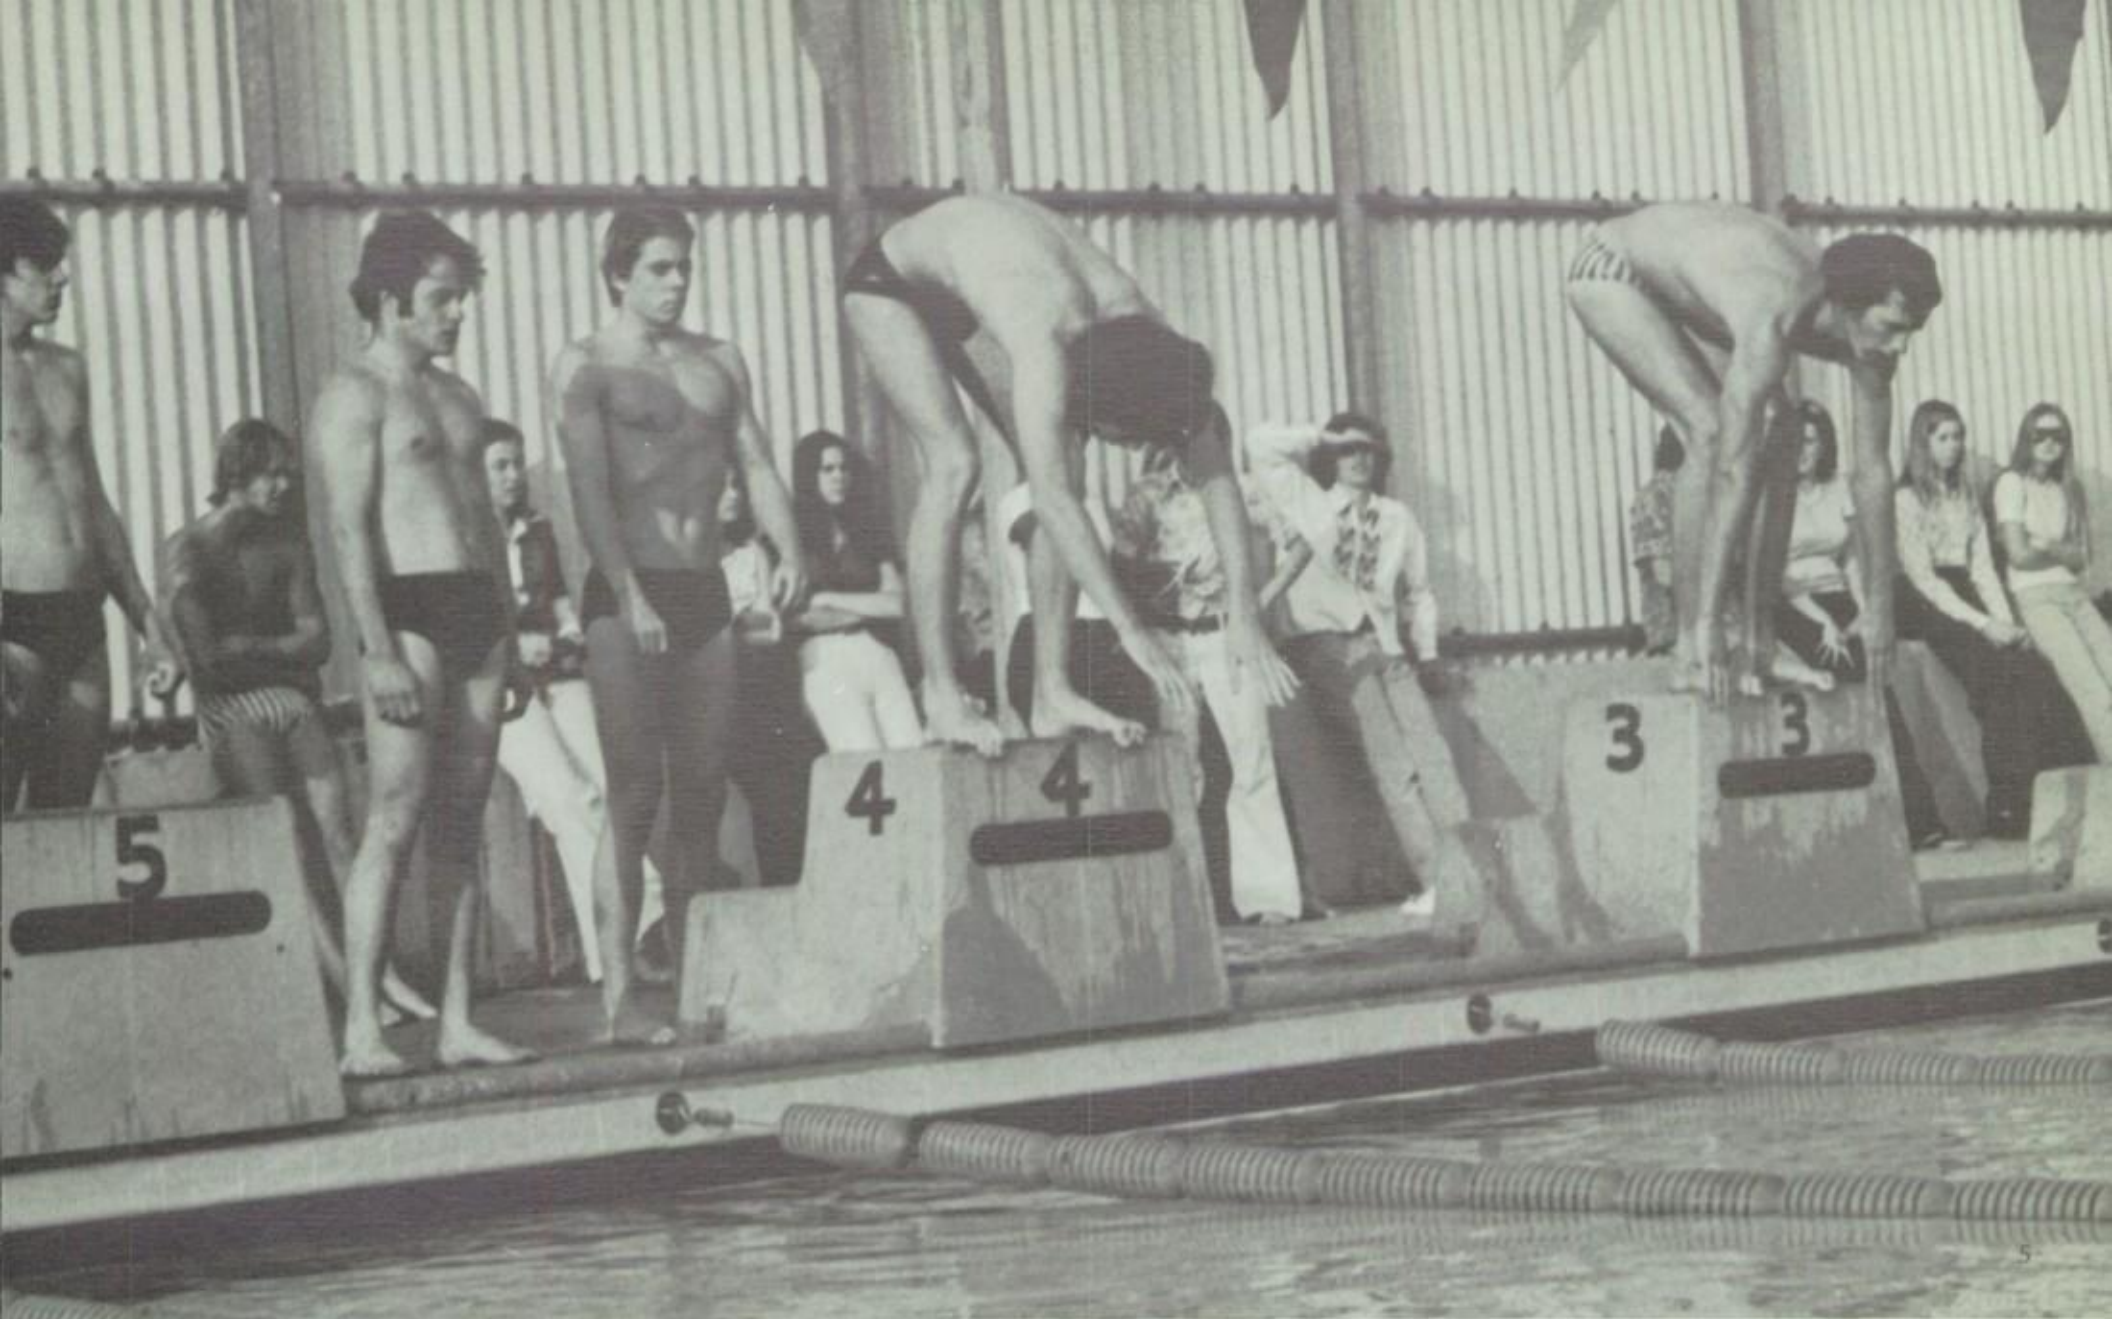

The Alhambra Varsity Swim team dominated the Pacific League to gain a long-awaited first place finish. Their league competition began impressively when they captured the first place trophy at the Pacific League Relays. At their first dual meet, Moor swimmers defeated Arcadia with a score of 92-80, a first time victory by the Varsity team over the perennial powerhouse Arcadia. After defeating strong Arcadia, the other teams in the league did not pose as a threat to the Moors. They ended the season with a 5-0 league record.

Many factors were involved in the production of this year's winning season. An overall team effort and superior coaching by Mr. Neal Palmer provided the winning formula. Each team member was instrumental in gaining points for all league meets. In addition to the unified efforts of the team, especially strong performances by individuals helped the team. Senior Mark Katzmann, juniors Bernie Rosenthal, Pat Stanton, Cathy Calhoun and sophomore Kevin Boccalero helped the Moors by consistently taking first and second places. Two talented freshman Chris Bucci and Ken Lynch, also added valuable varsity points. Diver Debbie Siewert again this year garnered the PL Crown and many points which proved her of value to the entire team.

Jayvees, Frosh-Soph Finish Strong in League Competition

The 1975 swim season was a good one for the JV and Frosh-Soph swimmers. The JV Moormen took third place with a 3-2 league record and the Frosh-Soph team placed a strong second in the Pacific League.

The JV swimmers started off their season well, but at the Pasadena meet they were plagued by illness and fell to the Bulldogs. Then, through rainy weather the Jayvees lost to Muir.

Finishing with a successful 4-1 Pacific League record, the Frosh-Soph fell short of their pre-season goal. The Frosh-Soph's only loss came from a competitive Muir team, which fielded many talents in all events. Dennis Ogura, with his specialty, the butterfly, led the Moors throughout the entire season.

Hardwork is always essential for a successful season, and the 1975 Girls' Gymnastics Team proved this to be true. To achieve graceful but powerful movements in all phases of their sport the team began their daily practices in February to prepare for meets with various schools throughout Southern California. Although the team consisted of some returning members, many of the participants were lower classmen which gave the team a wide array of talent.

Practices Necessary Skills

Agility and quickness are two abilities that are needed to successfully perform on the softball field. Undefeated Season Leads Netters to CIF

In experiencing one of the most successful seasons at Alhambra, the Varsity Volleyball team went undefeated giving them the Pacific League crown and the chance to compete in CIF competition. The first and second rounds had them pitted against Rim of the World and Monrovia High Schools respectively. They defeated both teams with scores of 15-7, 15-6 and 15-11, 15-7. At the beginning of the third round Alhambra was one of the sixteen schools still left in competition from the initial sixty four teams competing. But their opponents from Santa Monica High School proved too tough as they were defeated 0-15 and 4-15. This left them with an outstanding Pre-League, League, and CIF record of 13-1. Although the strength of the team was in the fact that each of the ten members contributed their talents and sportsmanship solidly, Delsey Vukmanovich was honored as the teams MVP and Most Inspirational Player. The Varsity High Scorer was awarded to Janis Oshiki.

The JV Volleyball team also had a successful season as they were League Champs for the sixth consecutive year. Carmen Serret, team captain, along with Beverly Bolton, Cheryl Bolton and Christina Collins contributed greatly towards their outstanding season. Maria Thompson was awarded the Most Improved Player.

Freshmen Learn to Adapt to AHS Life

Entering their first year of high school, freshman students struggled for survival in the blue and gold jungle. Here they learned preparations for life, the facts of life, the dodging of pennies, the directions to the restroom, and many other necessities of life. Also learning AHS ways were this year's Freshman Council. The Frosh Council participated in the Homecoming Faire where they successfully raised money from their bake sale booth. The Freshman Council consists of: FRONT ROW: Kim Carpenter, Financial Chairman; Linda Pace, Vice President; ROW 2: Chuck Gonzalez, President; Stephanie Eng, Publicity Chairman; ROW 3: Susie Hoffman, Secretary; Steve Kaplan, Ways and Means; and Lin Chang, Treasurer.

Moors of '77 Gather Experience

Recovering from the wounds of freshman year, the sophomores bravely stepped in the 'Land of Ahs' as upper-lower classmen. Many Sophomores looked forward to the delectable dissection of the frog, the magnanimous ceremony of receiving their class rings with a passionate kiss, and many other exciting activities. Partly responsible for some of the Soph's excitement were this year's Sophomore Council. The Soph Council chose class rings, directed many fund-raising activities and began preparations for next year's Junior-Senior Prom. **SOPHOMORE COUNCIL MEMBERS:** Kathy Ogawa; Fasha Liley; Kim Khoury, Treasurer; Ann-Marie Letters; Kevin Hansen, President; and Charline Su, Vice President. **NOT PICTURED:** Janet Mannarelli, Secretary.

Elks, Citizens of Month Credit Deserving AHS Seniors

The Elk's National Foundation presented two awards to three outstanding seniors this year. The Elk's "Most Valuable Student" Leadership/Scholarship Awards were given to two seniors in recognition of their scholastic achievements, leadership qualities and financial need. The other award was "Teenager of the Year" which was based on the same criteria with particular emphasis on leadership. The seniors who were awarded the Citizen of the Month plaque this year were selected by the Guidance Department. Their selection was based on two criteria. The primary basis of which they were chosen was their service to the high school, church, community and home. These seniors' scholastic accomplishments were a secondary consideration. This award was sponsored by the Civitan Club of Alhambra.

Daniel Hasegawa became the first AHS senior and one of two persons in California to be a delegate to the U.S. Senate Youth Program. The trip to Washington D.C. was highlighted by a visit with President Ford.

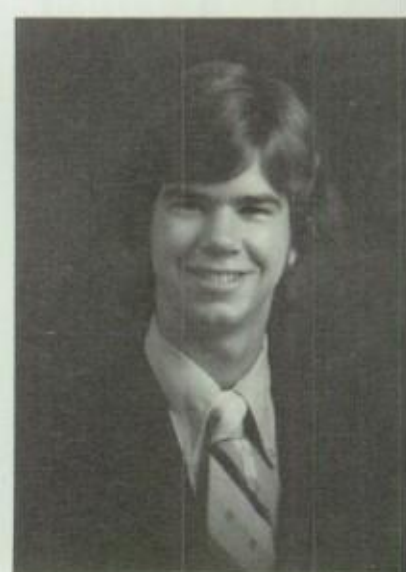

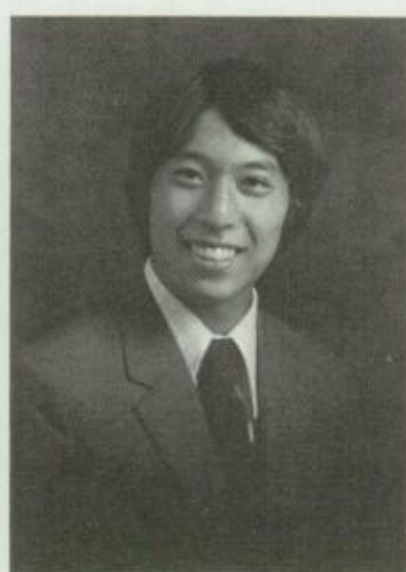

The Girls' League Creed Awards were given each semester to a senior girl who best unites the traits of character, unselfishness, and service. These award winners were nominated by students or faculty and were selected by Girls' League Board.

Since 1957, Girl of the Month has been selected with Boy of the Month following this new tradition in 1958. This year, twenty deserving seniors received the honor of being named Boy and Girl of the Month. Experiencing the surprise of being named to this distinctive honor, provided a feeling of accomplishment for these exceptional seniors. Boy and Girl of the Month were selected by Boys' Federation and Girls' League on the basis of leadership, school activities, special talents, and community services.

'Spook Insurance' Provides Gift Funds

The Senior Council's major goal this year was to raise money for the class gift of '75. Under the direction of Mr. Wayne Hooper the Council began efforts early in the semester with Spook Insurance. This project took in \$500, was centered around the Halloween theme and insured houses against mischief-makers. This year's Council supported the traditional Senior functions including the annual Senior Luncheon, Baccalaureate ceremony, and Commencement exercises. The Council also promoted this year's Senior Play, "The Tavern" by extensive publicity campaigning.

1) Senior Class Advisor Wayne Hooper directs organization of Council efforts. 2) Senior Council Members include Corinne Leung, Sec. Rita Gonzalez, Carol Yip, Fund-raising Chairman Kathy Harvill, Pres. David Olson, Treas. Jack Jeong, Vice-Pres. Shirley Chan, Corr. Sec. Tundi Garai, and Publicity Chairman Sandi Yee. 3) Council Members listen intently as Senior Class President David Olson leads the meeting.

Mr. Will Loe

as the tree grows, so shall i.
and like the tree i flourish with
each new encounter and experience.
i learn in different ways, and each new way
broadens my spectrum of learning experiences.
i may gain or i may lose.
i may stumble or i may progress.
but whatever course i take
i shall take it with the realization
that knowledge is my reward.
by this growth, i become
a fuller more aware being.
and in the end, i can look back
on the enlightenment i have gained
and call this path i've taken my learning tree.
